## ATV ACCESSORIES

Designed for the outdoor sportsman, these unique products were developed for use with ATV's and small tractors. Tufline's ATV attachments include disc, trail rakes, scrapers, grader blades, land planes, seeder/spreaders, culti-packers, and utility dump carts.

### ATV TILLAGE

ATVD series discs are designed to work behind ATV's small garden tractors, and off road farm/sport utility vehicles. These heavy built units are ideal for wildlife food plot preparation and ground breaking for garden and turf development.

### ATV BOX BLADE

ATV Box Blades are ideal for all types of scraping and leveling jobs. Whether it is road or trail maintenance, feed lot cleaning, or site preparation these rugged units can handle the job. A replaceable cutting edge is standard on all units. The lever control wheel transport system offer five height options.

### ATV SPREADER

The SF500 ATV spreader comes with a speed sensitive dispersion system for even distribution and reduced waste. Spreads evenly up to 30 feet and offers 180 degree spread pattern, or 90 degree spread pattern to the right or left. The SF500s wide wheel base and turf tires provide stability in all terrains.
